
Kim Shults asked the investment committee to consider the preparation and distribution of a brochure. The investment committee will discuss this with Steve Hopp, AELC publicity chairman, and Julie Glendenning, Thrivent Financial Regional Coordinator. The investment committee will also discuss with Thrivent Financial their Building and Choice Dollar programs to determine whether these programs can be incorporated into the congregational campaign. The investment committee will also discuss with the Financial Secretary whether additional Endowment Fund envelopes can be included in member envelope packets upon reorder.

Kim Shults questioned whether the Church Council would like the Endowment Fund's investment committee to manage the investment of the church's Building Fund. This would be done as a separate and distinct activity. Steve Wrobel, President of the Church Council, will discuss this with the Council and report back to the Endowment Board.

The next meeting of the Endowment Board will be Thursday, September 6th at 5:00 p.m. The meeting was adjourned at 6:15 p.m.
